GET FIT.

Whether you're in the big city or a small town Rosenbauer will custom build your Mini-Walk-In Rescue to FIT your needs. That is what separates us from the competition. You decide how you want your storage space configured and we'll do it. Tip-down shelves. Slide-out trays. All you have to do is ask. Then watch us deliver a rescue with plenty of room for everything you need.

Loads of Storage Options And Easy Accessibility

Interior forward facing seating for three (3).

Upper roll-out tilt down tray.
Lower transverse heavy duty pull-out tray.

Loads of storage - backboard storage compartments, roll-out trays, and vertical pull-out tool boards.

Gas, diesel, and hydraulic driven generator packages available - from all major manufacturers. Several scene light and light tower packages also available.

250-500 lbs. Heavy duty pull-out tray.
